

# EXPANSION BATTERY 3072WH/B300S BLUETTI

Код ELKO: 1423381

Повна назва: EXPANSION BATTERY 3072WH/B300S BLUETTI

Заводський код: B300S

Штрих-код: 6970991291579

УКТЗЕД: 8507600000

Гарантія: 2 роки

BLUETTI B300S Expansion Battery | 3072Wh (Only Works With AC500)

## Expandable Battery Pack

B300S has a 3.072Wh capacity and lasts 3.500+ cycles to 80% of its original capacity. Hook up 6 B300S packs with AC500, and you'll get a massive powerhouse with 18.432Wh, enough to power up your RV, off-grid life, and get you through a severe power outage.

## Responsive Even in the Cold

Waking up electronics on a freezing day may be time-consuming. But with the Self-heating Function, B300S will automatically heat up the battery to ensure it can work actively and smoothly as usual.

## Standalone Power Source

More than an expansion battery pack, B300S can be used as a standalone power source as it features versatile outputs - 100W USB-C, 12V/10A cigarette lighter, and 18W USB-A to feed your smartphones, laptops, fans, lights, refrigerators, and more.

## Blazing Fast Recharging

Faster is always better. Charge your B300S in 4 hours at the maximum of 1.000W input rate by 1.000W Solar input or 500W adapter with 500W solar input.

## Never Run Out of Power

AC500 powers your devices like a gas generator, but without any fuel costs, noise, and pollution, making it safe enough to use next to you whether you're at home, pitching a tent, or trying an RV road trip.
