Гарантія: 2 роки

## INTENSO PD20000 ANTHRACITE

Equipped with Power Delivery and Quick Charge 3.0, the PD20000 power bank combine the highest fast charging functions currently available. Compatible devices are charged up to 4 times faster than with conventional power banks. The digital percentage display gives you precise information about the charging status at all times. These power banks set new standards. Boost your everyday life and use the maximum charging speed.

All connections once, please.

Three connections – maximum compatibility. Equipped with USB-C In/Out, USB-A Out and microUSB In, you can connect to all the latest smartphones, tablets and laptops. Included in the scope of delivery: a USB-C to USB-C cable. For the fastest possible charging via Power Delivery or Quick Charge.
