BLUETTI B210 Expansion Battery | 2150Wh

Experience the resilience of the BLUETTI B210 Expansion Battery with its IP65 water and dust-resistance, built to withstand even the harshest conditions while exploring the great outdoors. Powered by ultra safe and reliable LiFePO₄ batteries with a lifespan of over ten years, Plus, it is backed by a reassuring 6-year warranty, allowing zero worry in every charge.

Easy Connection, Great Expansion

As an expansion battery for AC200L and AC240 power stations, the B210 opens up a world of possibilities. Now you can amplify your power capabilities, ensuring uninterrupted power all along the way.

Scalable Power Capacity for Diverse Need

Fed up with power shortage during your trip? Whether for a RV weekend getaway or an extended voyage into the open water, you can tailor your power system by stacking up with multiple batteries to satisfy your power demands.

Standalone Power House

Not just a mere expansion battery, the B210 offers standalone functionality as it features multiple DC ports, including a 100W USB-C, an 18W USB-A, and a 12V/10A cigarette lighter port, allowing you to charge smartphones, laptops, drones, mini-fridges, and more.

Versatile Charging Made Simple

Charging is breeze as B210 supports a range of charging options - simply juice it up at home through a standard wall outlet (either standalone or paired with AC240 / AC200L), with a car charger on the road, or tap into the solar energy wherever the sun shines, ensuring you're always powered up and ready to go!
