BLUETTI SP120L Solar Panel | 120W

Sunshine-Powered Convenience

Wherever the sun shines, the SP120L is ready to power up! By working with a solar generator, it seamlessly collects, converts, and stores clean, renewable solar energy. Whether you're traveling, camping, or simply need a daily backup, the SP120L ensures solar energy is within reach around the clock.

Superior Durability and Efficiency

Crafted with innovative ETFE coating, the SP120L offers unparalleled durability and UV resistance, extending its lifespan and ensuring optimal performance in all environments. The monocrystalline solar cells allow up to 23.4% conversion efficiency, surpassing the industry average of 20% and maximizing solar energy utilization.
