BLUETTI AC200L Portable Power Station | 2400W 2048Wh

A Powerful Leap, A New Benchmark

The brand-new AC200L leads the pack with groundbreaking improvements in charging speed, output power, quiet operation, and energy efficiency. It provides a one-for-all solution to meet your daily electricity needs.

Power You Can Rely On

AC200L is equipped with the industry-leading LiFePO₄ battery and advanced Battery Management System (BMS) to ensure optimal safety and reliability. Trust in a powerhouse that's as secure as it is powerful.

Outage-proof Power for Longer Periods

Keep your home running smoothly, even during sudden blackouts. AC200L working with expansion battery can effortlessly run your appliances and protect against unexpected outages, ensuring longer usage.

More Scalability, Unlock More Capability

Perfectly compatible with B210, B230, and B300 expansion batteries, you can elevate the capacity of AC200L to an incredible 8.192Wh. Making the full potential of limitless power has never been easier.

The Fastest Charging among 2kWh Power Stations

With up to 2.400W AC lightning-fast charging capability, replenish to 80% capacity in just 45 minutes! AC200L outshines most competitors in the market and sets a new standard for 2kWh products. Get ready to power up swiftly and enjoy your devices sooner than ever.

The Fast Solar Input, Now Even Goes Faster

AC200L allows up to 1.200W solar input, the best solar charging performance than previous generations. Embrace the sun and harness energy efficiently, ensuring your devices are charged in no time.
