УКТЗЕД: 8507600000

Гарантія: 2 роки

BLUETTI AC2P Portable Power Station | 300 W | 230,4 Wh

- + Portable & lightweight, perfect for your backpack;
- + Small but mighty with a 600 power lifting capacity;
- + Rapid 270W turbo charging that fully charges in just 70 minutes;
- + Safe and durable for long-lasting use;
- + Enjoy intelligent app remote control functionality.

## Lighter, Faster, And More Freedom

BLUETTI AC2P is an extraordinarily lightweight and user-friendly energy storage solution. With a 230Wh capacity and 300W power output, it can cover most power needs of essential devices. Charging to 80% capacity in just 45 minutes, making it the perfect companion for outdoor activities, emergency relief, RV travel, and more.

## Super Fast Charging, A Great Step Forward

It takes only 45 minutes to reach 80% capacity using AC charging, meaning that the AC2P is ready to hit the road by the time of your packing. Also, get it charged with solar panels where the sun shines; a full charge only takes 1,5 hours, ensuring plenty of power within reach all along the way.

## Flexible to Charge

Efficiently charge it as you prefer - via AC outlet, solar panels, generator, or even a car charger while you're driving, no need to worry about the battery running out when miles away from the grid.

## Reliable Power, Has Your Back.

Designed for 10 years of everyday use, AC2P uses the LiFePO<sub>4</sub> battery to ensure optimal safety and a longer lifespan. With the intelligent BMS (Battery Management System), rest assured it can protect the power beast from potential risks.

## Hassle-free Carry with One Hand

The AC2P is ultra-lightweight at only 3,6kg, providing unparalleled mobility for your trip. It also features an ergonomic handheld design and an upgraded intelligent LCD screen, making it more accessible wherever you go.
